English . Brand New Book. Right now, the world is in dire need of unconventional thinkers. Conventional thinking has created enormous problems and issues that only unconventional thinking will be able to address. We need cutting edge businesses and organizations, new technologies, and new approaches. We need YOU to step into your genius, whatever it is, and express your gifts. In Cracking the Flourishing Code, entrepreneur and business thought leader Pat Black gives unconventional thinkers the tools to: Step away from conventional community consciousness to become a confident outlier. Debunk the so-called wisdom of conventional beliefs about career and business. Create a healthy eco-system of support. Build a flourishing mindset. Uncover your unique gifts for career success and personal fulfillment. Praise for CRACKING THE FLOURISHING CODE: Cracking the Flourishing Code is a welcome addition to the growing literature on positive psychology. As a consciousness researcher, I welcome it and would encourage you to read it and consider a positive lifestyle. - Amit Goswami, quantum physicist and author of The Self-Aware Universe, The Quantum Doctor, and Quantum Creativity: think quantum, be creative. Conventional thinking...

### Reviews

*Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.*
