Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Notes on Nursing: What It Is and What It Is Not The thoughtful reader of these Notes on Nursing will enjoy the sensation of having at her side a guide, philosopher, and friend who walks painstakingly beside her, talking of nursing and putting a finger squarely on what it is and what it is not. To read and reread is to experience taking on from a great teacher some of the things which she has learned and to become with her intolerant of any mediocrity in the care the nurse gives her patient, including what is called here the momentous minutiae. The book was intended to give hints for thought to women who have personal charge of the health of others. knowledge which everyone ought to have - distinct from medical knowledge, which only a profession can have. At the time it was first published there were no schools for nurses and therefore no trained nurses. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
