Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, Young Jobhunters: Building a Great CV: Creating a Brilliant CV: Essential Tips and Tricks Every New Job Seeker Needs to Know, Susanne Christian, Creating an impressive CV when you're just starting out in the world of work is tough. You probably have little or no work experience, and you might still be getting your qualifications at school or college. So how do you create a great CV to help you win your first permanent job? If you're about to leave school or are applying for your first or second job, make sure you get the inside track on building a brilliant CV. Containing all you need to know as a young job hunter, you'll find out what a CV is and why you need one, what you should (and shouldn't!) include on your CV, and essential advice on choosing the right CV format with handy sample CVs to help you get started. Most importantly for an inexperienced job hunter, you'll also find out how to make the most of your current skills, qualifications and work experience, however little you have, so you can demonstrate the work skills employers are looking for. Also revealed is what employers look for in a CV and the importance of tailoring your CV for the job. Don't make the mistake of sending the same CV with all your job applications; make sure you target your CV and match your skills to the job description so you stand out as a winning applicant to have the best chance of making it to interview. Short of work experience? You'll also get guidance on putting together the right CV for applications for internships, work experience and part-time jobs - all of which will give you more skills and experience to...
