Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.That s what death does, it changes things. It changes things forever. It s a year after Sam Owen found his young sister floating face down in the back garden pond. He almost became invisible to his parents after that. Maybe that s why he started to hang around with Liam, the depraved bully who loves making Timmy Toyle s life hell on earth. Nobody could ve guessed that Timmy, the quiet one, would fight back, but he did, and it was all the push Sam needed to step away from Liam and get closer to Emily, the new girl, who moved in across the road, next door to his delusional Nan. But is it true what Emily says? Did she really die when she was eight-years old? Did her father really slit her wrist, all in an attempt to rid her of evil? Can she really contact the dead like she says she can? Sam s dark despair leaves him no option but to find out. From the author who brought you Waiting for Wings and The Girl with the Green-Tinted Hair, comes a dark tale of fear and suffering, and the lies we sometimes believe to relinquish the two.
