Reviews

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Nor is it only the histories or the compositions themselves that recur in every collection to the eye; but even countenances taken from individuals of his own family; for instance, arraying his own daughter either as a Queen of Sheba, or a Magdalen; or as a villager, presenting fowls to the infant Jesus. I have likewise seen entire pieces, with the title of the Family of Bassano, sometimes in small size, and sometimes in larger. Of the former, I remarked a specimen in Genoa, in possession of Signor Ambrogio Durazzo, where the daughters of the painter are seen intent upon their feminine occupations, a little boy playing, and a domestic in the act of lighting a candle. One of the second kind may be seen in the Medicean Museum, a picture which represents an academy of music. By this method he seemed to confess the poverty of his imagination, though he derived from it a Pg 203 very remarkable advantage. By dint of continually repeating the same things, he brought them to the utmost point of perfection of which they were susceptible; as we may gather from his picture of the Nativity of our Lord, placed at San Giuseppe, in Bassano; the master not only of Jacopo, but in point of force of colours and the chiaroscuro, of every thing that modern painting has to boast. The same is seen in his Burial of Christ, at the Seminario of Padua, a picture of...
