THE CONFLICT BETWEEN INDIVIDUALISM AND COLLECTIVISM IN A DEMOCRACY: THREE LECTURES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Conflict Between Individualism and Collectivism in a Democracy: Three Lectures At the outset it will be well to point out that collectivism should not be confounded with socialism. Socialism dwells on the sharp and unnatural division of society into a few owners of land and machinery on the one hand, and many wage-earners on the other, on the small share of the wage-earner in the product of his industry, on the wrongfulness of private property, and on the waste and cruelty of competition. Collectivism is not concerned with any of these matters. Socialism advocates the ultimate ownership of all the means of production, including the land, by society as a whole, and as a step that way advocates immediate government ownership of public utilities. Collectivism has no general theory on that subject, and in practice is simply opportunist in regard to it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
