Broadman Holman Publishers, United States, 2015. Paperback. Book Condition: New. Cory Jones (illustrator). 203 x 150 mm. Language: English . Brand New Book. Oh sure, we ve all heard the story of Moses and the ten plagues of Egypt a hundred times. But have we heard it from the perspective of the other living creatures who lived through this history-making event? Part of the Their Side of the Story series, The Frog and the Plagues offers an important lesson about anger and selfishness, and the Parent Connection feature helps parents and kids further discuss the message behind the original Bible story. Kids ages 4 to 8 will love this interesting way to learn about the ten plagues. And don t miss the other rollicking Bible stories in this series: The Raven and Noah s Ark, The Lion and Daniel, The Whale and Jonah, and The Donkey and Jesus.
