Reviews

This is the greatest book i have got read through till now. I could possibly comprehended almost everything out of this published e book. Your daily life span will probably be enhance the instant you total looking at this book.

(Bernadette Baumbach)

THE PATIENT IS A PIGEON (PAPERBACK)

Lulu.com, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The high cost of blind trust in health care: A young woman is told she needs 12 fillings - but 10 of the teeth have tea stains, not decay. A man is prescribed an expensive deep cleaning - but a week of properly brushing his teeth restores his gums and protects his wallet. Drawing from 35 years of experience, Dr. Ken Hajek builds a persuasive case that the healthcare world is full of pressures and incentives that lead to over-diagnosis and over-treatment for the unwary patient. In *The Patient is a Pigeon*, Dr. Hajek offers a compelling cure: turning patients into informed consumers so they can make smart choices about their care.
