ADULT COLORING BOOK: FLORALS: PAINT AND COLOR FLOWERS AND FLORAL DESIGNS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Adult coloring is becoming an extremely popular pastime. Coloring books are excellent for those who like to while away the time working with colors and patterns. Baby boomers and seniors find that when hospitalized or feeling stressed coloring books fill in the time in an enjoyable and creative way. This book includes a range of floral designs from easy to difficult. If you have participated in art before try this book and experience just how enjoyable it can be to get engrossed in creating your colored piece. For your ease of use there is only one design per page to protect your work from any bleeding through the page. If using pencils it is also a good idea to use a heavy paper insert behind your work page to prevent any pressure damage to the page behind.
