This book contains forty compassionate activities kids who have suffered abuse can do to raise their self-esteem, establish boundaries, and identify people they can trust. These simple activities drawn from a variety of therapeutic modalities are best used in combination with counseling to help kids recover from trauma and build confidence. As children work through Finding Sunshine After the Storm, they will learn to deal with painful feelings in positive ways, reach out for support, and feel proud of themselves by taking a bow after important accomplishments. This workbook can help them reclaim the pride, joy, and security they may feel as though they have lost-the sunshine after the storm."This book is an incredible resource to help kids heal."-Deanne Ginns-Gruenberg, owner of The Self Esteem Shop in Royal Oak, MI.
