THIRD EDITION by A. v. GRONICKA. PREFACE TO THIRD EDITION: The third edition of Essentials of Russian has developed from Intensive use of the earlier editions for a whole decade by colleges and universities throughout the United States and abroad, as well as by the United States Armed Forces and by private study groups. The basic organization and approach of this book have proved their effectiveness and have been retained. Revisions have been limited to the clarification of certain rules of grammar a considerable shortening of the Common Expressions and Idioms units, especially those in the more advanced lessons and the rewriting of four of the less successful reading selections. The new reading units offer a survey of Russias geography, a biography of Anton Chekhov, an introduction to the development of the Russian language, and a brief essay on the Russian Academy of Sciences. These units, it is felt, are more timely and functional, as well as better attuned to an essentials level, than were the units they replace. Further...
