## Continuous Delivery Pipeline - Where Does It Choke?: Release Quality Products Frequently and Predictably (Paperback)

By Juni Mukherjee

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have worked in Continuous Delivery projects for yet-to-be-famous tech startups and with well-established companies like Apple, Yahoo!, GoPro, ThoughtWorks, and PricewaterhouseCoopers Ltd. I share my experience of releasing software from a source code control repository to Production, and how the manual processes can be fully automated with good design and smart decisions. In this book, I zoom in on the choking points, so that my readers can accelerate through their own design and implementations. This is how I have structured the book: Chapter 1: Introduction Eases my readers into understanding and appreciating a Continuous Delivery Pipeline, removes confusion between Continuous Integration and Continuous Delivery, gives a brief introduction about me and who I am grateful to. Chapter 2: Pipeline Architecture and Design Establishes basic definitions, explains how CD s success depends on the Product Architecture, designs the CD Pipeline Architecture, designs the various stages of the Pipeline from Git to Production, talks about Pipeline Visualization and the emphasizes the importance of managing Pipeline artifacts. Chapter 3: Continuous Testing - Choking Points Discusses the types...
