BRAND NEW, Find Your Thing: How to Discover What You Do Best, Own it and Get Known for it, Lucy Whittington, Finding it, refining it, loving it, and actually getting out there and doing it Don't waste your life not doing something you aren't brilliant at, not setting the world on fire with your ideas, your thinking, your inventions, your words it doesn't matter how you do your Thing, what matters is that you DO IT! And how about turning that Thing into your business too? Lucy Whittington is on a mission she wants everyone in the world to do what they're brilliant at and not just what they're 'good' at. Having done what she was 'good' at for a long time (marketing), and getting overqualified with an MBA, Lucy realized that her 'Thing' was finding other people's Thing and helping them turn it into a great business that they love. In this book, Lucy uses her proven five-step process to help even more people find what they are brilliant at. * Find out what you should be doing and how to make a living from it * Take advantage of Lucy's expertise and follow her five-step process for success * Be inspired and gain real practical advice * Receive guidance on taking your new business to the next level by creating your "Star Plan" * Become famous for what you do Imagine being so gifted that the work you are paid to do comes as naturally as breathing, and is so enjoyable that you would do it for free. It can happen. You're gifted at something, and that something is marketable. You can put yourself on the path to your ideal life, but first you have to Find Your Thing.
