These pieces may be printed in one or other of the eight alphabets with which German youth is plagued. Considerable practice in the written characters is needed to decipher many notices posted on museums or University boards. To an Englishman there is some slight solace in this alphabetical luxuriance, as it affords a retort to rude remarks on the stupidity of our weights and measures and spelling. Parsing at first must be very sparingly indulged in. If a boy knows the plural of a noun or the parts of a verb, it is immaterial to him at this stage whether they are regular or irregular; that will grow clear when he has gained material enough to classify. A sharp look-out must be kept for idiomatic turns and phrases; they could be entered in an exercise book and learnt by...
