Stories to Encourage Positive Behavior in Small Children The preschool and kindergarten years are some of the most important formative years of a person s life. These years are also a challenging time for parents as their children test boundaries (and patience). How parents and children respond makes all the difference in the world. The Growing God s Kids series is designed to help young children understand their feelings, develop godly ways to deal with temptations, and form positive attitudes and behaviors that will serve them well in the future.
