

## The World Air Power Guide (Hardback)

By David Wragg

Pen Sword Books Ltd, United Kingdom, 2011. Hardback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book. The World Air Power Guide provides up-to-the-minute comprehensive information on the military aviation assets of no less than 169 nations. While the bulk of the book covers the air forces of the countries concerned, the author, who previously compiled Jane's Air Forces of the World, includes details of, where applicable, army, navy, marine and coastguard airpower, together with their history and other relevant information. Revealing comparisons are made between countries populations, GDP and defence expenditure. These raise worrying questions as to the differing levels of national commitment to maintaining peace and security. Over the last 100 years air power has become a key component of any developed nation's defence strategy and there is no prospect of its significance diminishing. Even insurgency campaigns such as Afghanistan, ground forces cannot operate effectively without strategic and tactical airlift capability, air-to-ground fire support and airborne intelligence gathering. With its numerous illustrations, The World Air Power Guide provides the reader, whether professional or lay, with an outstanding array of information at an affordable price. David Wragg is the author of some thirty books on aviation and...

### Reviews

*The best publication i actually study. It is probably the most awesome ebook i actually have study. You are going to like the way the article writer publish this publication.*

-- **Ms. Harmony Simonis I**

*A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.*
