America Star Books, United States, 2014. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In a constant search for the essence of life, the author attempts to summarize everyday things into a word game. This results into short stories written in column style that are humorous, critical, but with a wink to philosophical arguments and attention to detail. What does Sigmund Freud have to do with sexploitation and the white cat, and what does George Bush have in common with that bass and the European Football Championships? Conclusion: people are fascinating, animals are fantastic and the world is the kitchen of the universe. What we usually end up making is often not to be eaten, which is just a good reason to do it better next time.
