

Study Guide and Learning Activities for Training Manual for Intravenous Admixture Personnel (Paperback)

By Vincent J. Tormo, Max L. Hunt

Precept Press, Inc, United States, 1998. Paperback. Book Condition: New. 228 x 153 mm. Language: English . Brand New Book. This study guide was custom designed for use in high-quality training programs to teach staff proper procedures for preparing intravenous admixtures. To be used with the Training Manual for IV Admixture Personnel. Includes a removable answer key and is great for documenting competency to meet JCAHO requirements. This study guide can help the trainer or instructor assess the student's knowledge of IV admixture compounding prior to the start of training, schedule training experience to ensure proper integration of discussions, self-study, and practical experience, help clarify any questions related to the training manual material and study guide activities and tests, and customize the training to reflect institution-specific policies.
