THE LITTLE BOOK OF HUGS

CICO Books. Hardback. Book Condition: new. BRAND NEW, The Little Book of Hugs, Lois Blyth, Sarah Sutton, This inspirational and uplifting collection of quotes and stories is a celebration of hugs in all their guises. A hug is one of the most basic ways two (or more) human beings touch. There is power in a hug. A hug can break down barriers that sometimes words cannot do. At times, it can speak more than any words can say. We bond with a hug. We find comfort with a hug. We greet and separate from each other with a hug. We establish human contact and interaction with a hug. The beauty of a hug is in its simplicity. The gesture towards another human being, known or unknown, is easy. It costs nothing but is a simple act of caring and kindness. The Little Book of Hugs looks at all aspects of hugging, from stress-reducing health benefits to hugging etiquette, different hugs for different occasions, hugging quotes and anecdotes, and information about the hugging "community". This beautifully illustrated book has been created as a gift that is a joy to give as well as receive and will enrich the life of whoever reads it.
