By Sasha Fields

Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****.Living Off The Grid: The Blueprint to Sustainable Living Becoming Self Sufficient Learn what you need to live comfortably Off the Grid, including attainable methods for heating and powering your home. Never before in history have humans been faced with the current combination of severe economic volatility, depleted resources, and dramatic global warming. However, very few people have any basic survival skills, and even fewer could set up a livable space without the support of a power company, food stores, and a sewage system. This book will give you a foundation towards becoming self-sufficient and help you wean off your dependence on 3rd party services. Even if you do not plan on living fully off the grid, Living Off The Grid: The Blueprint to Sustainable Living Becoming Self Sufficient will give you valuable tools to help lower your costs, including instructions for creating different power sources (such as solar, wind, and hydroelectric) and easy methods for heating hot water. In this Living Off The Grid Blueprint you will learn: Different housing options and Pros and Cons for each...
