Green Dad - An Earth-Friendly Family How to Guide It is not just about yourself, it is about your family and future generations. Become a Green Dad and raise your kids in an earth-friendly and green way. The Earth has given us so many blessings that we cannot even count them. The exclusive properties of earth make it the best suitable place for human life. It not only supports human life, but it nurtures a number of other species as well. Mankind has been cruel enough in destroying the natural beauty of this planet and using its natural resources in a harsh and careless way. For centuries we have been using this place as our habitat without thinking that it also needs our help in order to survive. This carefree behavior has put the planet in great danger where all its natural resources and properties are being destroyed. Now it is our responsibility to save our planet. Green Dad is a symbolic term, for all those fathers who are conscious about the safety of the Earth and want to make sure their kids can enjoy it as well. Green Dads want their kids to be a part of their passion for saving this planet. So if you are also passionate about this cause and want to become a Green Dad, this book will help you have a look at the major issues pertaining to the grooming and raising of your babies in a green way. It will include small tips which will be discussed in a step by step way, following the life cycle of your baby, so that you can craft a clear map for bringing...
