Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Comprising a pupil's book, teacher's guide and copymaster file for each year, this series covers all of the Sc1 to Sc4 requirements and incorporates the ideas and evidence statements of the revised National Curriculum (formerly part of Sc0). The course also supports the content and approach of the QCA Scheme of Work. The series offers suggestions for developing thinking skills, literacy, numeracy and ICT skills. It provides a simple, ready-to-use scheme of work that can be customized to meet the needs of your school. A range of differentiated material enables a variety of routes through the course - allowing it to cater for a wide range of abilities. The pupil's books are each divided into 12 units - four each for biology, physics and chemistry. Units do not have to be taught sequentially and each contains five topics with accompanying worksheets and assessment material. 160 pp. Englisch.
