Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1910 Excerpt: . precautions there is no danger from the use of this article.-- Chem. Ztg., Cothen, 1908, v. 32, p. 804. Farrell and Howies (J. Soc. Dyers and Colour., 1908, v. 24, p. 109) report that experiments to determine the disinfecting value of petroleum benzin show that at ordinary temperatures this article has no value.--Chem. Repert. Cothen. 1908, v. 32, p. 338. Federschmidt (Ztschr. f. Medizinalbeamte, 1908, v. 21, p. 653) reviews a number of cases and asserts that the toxicity of benzin, for adults, is comparatively slight, while for children, particularly young children, it is much greater.--Ibid., 1908, v. 32, p. 690. 77265 --Bull. 76--11 IS BENZOINUIC. Hills, Walter, reports that experiments made by the committee of reference have shown that Sumatra benzoin should be the only official variety, the Siam benzoin being used to so small an extent that it might well be omitted.-- Rep. (2d interim)...
