

## Wisconsin Barns

Filesize: 8.99 MB

### ***Reviews***

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Farcountry Press. Paperback / softback. Book Condition: new. BRAND NEW, Wisconsin Barns, Nancy Schumm-Burgess, Ernest J Schweit, Charles Law, Writer and historian Nancy Schumm-Burgess and photographer and journalist Ernest J. Schweit set out on a two-year quest to document the Wisconsin's iconic barns, which have come to represent a way of life defined by family, a connection to the land, ingenuity, and hard work. Schumm-Burgess digs up fascinating details on the backgrounds of the structures, including a rare log barn dating to the 1840s, a barn that once served as a stagecoach stop, and another designed by African American architect Algie Shivers. Schweit's photographs capture the storied structures in all seasons from modest mid-1800s barns to round and octagonal structures to grand, arch-roofed edifices.
