The Green Berets. Delta Force. These are just a few examples of what are known as special ops -- unique fighting forces trained to beat overwhelming odds on every mission. Using principles like speed, purpose, repetition, surprise, and simplicity, elite units such as these have throughout history accomplished extremely challenging tasks against vastly superior forces. When something seemingly impossible must be achieved, special ops forces are the ones called upon for a miracle. If you can inspire and lead your employees to work at peak performance, they will accomplish dramatic, almost fantastic feats for you -- just as fighting commandos do in battle situations. Secrets of Special Ops Leadership reveals the essential methods commando leaders employ, using dramatic real-life stories of commando leadership from biblical times all the way up through Iraq and Afghanistan in 2005, and showing how similar techniques are used by present-day business leaders such as Steve Jobs, Mary Kay Ash, Robert Townsend, and others.
