These life s bittersweet experiences and encounters are penned down into the logically connected verses. The poems included here are from the very vast areas of life-such as life of a fresh recruit in an office, the positivity of an interview reject, close observation of the various activities of an owl, from the wetness of rains to the lazy lying under the leaves of grass in a sunny day. Poems also include a tribute to the departed sister and also talks about the importance of mother in our life, the role of father, and also touched in short is the toil they take to raise us. Some poems are trying to touch upon the different aspects of life and the duties of being human.
