Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

(Imogene Bergstrom)

THE SEPTIC CIRCLE

Ravensforge Books. Paperback. Book Condition: New. Paperback. 322 pages. Dimensions: 8.0in. x 5.2in. x 0.9in. As the only sceptic in Cravenly's new and not-very-psycho circle, how many haunted toasters, possessed worry dolls, and sabotaged book signings can one man cope with Jay Taylor's patience may already be stretched to breaking point, but the odious presence of ego-ridden psycho star Fenwick Arcana could just push him over the edge. Having taken the nervous wreck who started this whole mess, Freddy, under his wing, and with gossip-monger Lysander and irrepressible believer Marnie to cope with, the circle's most reluctant member is about to have his sanity severely tested. Gathered together, their diaries chronicle the circle's first year, as they fight through a minefield of paranormal detritus, smug wizardry, toxic baking, revenge plots, and the filming of disastrously amateur paranormal TV show, Spirit Squad. But through all that, perhaps the biggest battle any of them will face is one another. And the loneliness. For anyone who ever wondered if it is possible to catch a ghost using marmalade, it isn't. More. . . The Septic Circle is a humorous diary-style book, told from the viewpoints of five members of a not-very-psycho circle, with each person's diary helping to build up a humorous (or poignant) picture of events. The book charts the circle members' first year, taking in haunted appliances, sabotaged book signings, and chaotic ghost-hunting TV shows, among other things. While, on the surface, it may seem like humour, the core of the book is the growing relationships and dynamics between the characters. Ultimately, it is a book about loneliness, as much as anything else. It's a delicious slice of British humour served on a paranormal plate, that will make you laugh, cry, and wonder about the ghost-catching properties of marmalade. This item ships...
